Assisted any mercantile contract; Dockson and Renoux had to face Almost every day. Only they could authorize marriages, divorces, land purchases or ratify the inheritance of titles. If an obligation had not attended an event, it had not happened, and if one had not sealed a document, then it could not have been written. Why should you buy from Amazon? It is always better to buy books to support authors and publishers. As laborious writer’s diligence should be rewarded. Knowing more about our initiative helps us serve you better.
